

LIFE'S A JOURNEY

'LIFE-CHANGING GROUPS' TRAINING

A2B IS ABOUT SUPPORTING CHILDREN AND YOUNG PEOPLE ON THEIR JOURNEY THROUGH LIFE – IT'S ABOUT HELPING THEM GET FROM A-2-B.

It's not a program, but a way of engaging with kids to help them grow towards social, emotional and spiritual wellbeing. A2B is for chaplains, children's workers and youth leaders who want to support children and young people as they journey toward the good things that God has in store for them.

A2B WILL EQUIP YOU TO IMPACT YOUNG PEOPLE'S LIVES.

“It’s a program that suits where young people are at... You can be in a high school scenario and then walk over and use this in a primary school. This one program can fit so many moulds.”

– Nigel Kruger, Church Youth Worker and School Chaplain
