Publication, Photography & Video Permission Form (ADULT)

I give permission for my interview(s) with a representative of SU QLD to be used for publication in one or more upcoming SU QLD magazines, appeals, newsletters or other external documents.

I understand that SU QLD may use photos and/or video footage in order to promote the good work that SU QLD does in the community and across the state. I therefore give permission for any photographic and video images of myself, or in which my image may be included, to be used at events, in general media, SU QLD media (including websites), or related marketing, for the purposes of promoting SU QLD, SU Chaplaincy and/or SU QLD activities, and for the general promotion of school chaplaincy in Australian schools.

I understand that if at any time I wish to know or obtain access to any images (photographic or other images) SU QLD is holding of me, I am welcome to apply for these photographic images by contacting SU QLD.

SU QLD is a not-for-profit organisation working with young people and families to "bring hope to a young generation". One of the main ways that this occurs is through employing Chaplains in Queensland State schools.
